Each year, Construction Career Days attracts more than 1,000 students from all over the state. Through hands-on experience using construction equipment and interaction with industry professionals, students learn about the skills and education that each occupation entails.

If you are able to bring some equipment, set up a booth or volunteer your time, please contact Tory Perrotta at [toryp@mail.uri.edu](mailto:toryp@mail.uri.edu) or (401) 874-7075.
